**From:** Ariens Sales Department

**Distribution:** LNG Dealers (US & CAN), RM's, DM's, Sales Partners, Tech Service, Customer Service

**Subject:** Engine Change – Pro 21 & Pro 21 XD

**Dealer Action:** Notification & Model Number Change

Ariens Company announces an engine change to the Ariens® Pro 21 and Gravely® Pro 21™ XD walk behind mowers. Kawasaki has reduced evaporative emissions on the FJ180V engine featured on these units to meet CARB regulations in California. These changes do not affect the performance or the servicing of the engine. There will be no change in dealer cost as a result.

Model number changes due to engine CARB compliance are noted below. The model number change is effective immediately.

PRODUCT	OLD MODEL NUMBER	NEW MODEL NUMBER
Ariens Pro 21	911271	911281
